

### ***DISCOVERY 1000: A Deep Diving Luxury Submarine by U.S. SUBMARINES, INC.***

The *Discovery 1000* series of luxury submarines was implemented to provide the erudite owner with the state-of-the-art in contemporary submarine design. Designed originally to be launched and recovered from a superyacht (insets), the series is available in 2, 4 or 6 passenger configurations, with or without auxiliary diesel power. Each vehicle is classified  $\forall$ A1 Manned Submersible by the American Bureau of Shipping, and is capable of diving to 1000 feet for extended time periods. Hydrodynamic efficiency, exceptional viewing, extraordinary maneuverability and contemporary styling combine to make the *Discovery 1000* the most revolutionary small submersible available today. (Four passenger version shown)
